

REWARDS FOR WELLNESS

Earn a \$50 Co-Share Credit!*

myHealthcare Cost Estimator

The myHealthcare Cost Estimator is changing the way you access personalized information!

Using your plan information, the myHealthcare Cost Estimator shows you the estimated cost for a treatment or procedure, and how that cost is impacted by your **deductible, co-insurance** and **out-of-pocket maximum**. This means that you'll get an estimate of what you'll be responsible for paying out of your pocket, providing you with useful information for planning and budgeting. When you are able to get information based on your individual plan, you'll have the knowledge to better understand your choices and be in greater control of your health care.

How to earn the \$50 co-share credit: By completing the myHealthcare Cost Estimator activity between October 1, 2016 and October 31, 2016, you will earn a \$50 co-share credit. There are **TWO** steps that need to be completed in order to receive the co-share credit. *FIRST*, go to www.wellness.ri.gov to access the tutorial portion of the activity. Read through the tutorial and complete the quiz. *NEXT*, go to www.myuhc.com. Log in with your username and password and use the myHealthcare Cost Estimator tool to create your own health care cost estimate.

Your participation in both portions of the activity will be tracked by UnitedHealthcare. For more detailed information and instructions, visit www.wellness.ri.gov.

*All State of Rhode Island employees are eligible to participate in Rewards for Wellness programs and screenings, but only employees who are paying the State employee medical co-shares that are posted www.employeebenefits.ri.gov are eligible to receive co-share credit incentives.
