

MinuteClinic®. The care you need in your neighborhood.

Did you know? You can visit a neighborhood Minute Clinic for non-urgent illnesses and care including coughs, sprains and screenings. Minute Clinic provides you with a convenient option for quality health care, especially when you can't be seen by your primary care physician (PCP).

- Open 7 days a week in select CVS Pharmacy® and Target stores nationwide
- No appointment necessary
- Full range of health services on minuteclinic.com/services
- See certified nurse practitioners and physician assistants
- Provides visit summary to your PCP with permission
- Accepts State health insurance
 - o **2014 Plan:** Pay a \$15 copay when you or your covered dependents visit the clinic.
 - o **Choice Plus Plan with HSA:** After your annual deductible is met, pay 10% coinsurance until your out-of-pocket maximum is met, then you pay \$0 when you or your covered dependents visit the clinic.
