Status'

Check the status of an entity registration below. The status' of the registrations will be listed as follows:

Active: entity has completed the AOR and it has been processed. No further action needed.

In Progress: entity has started the AOR but has not submitted.

In Progress (Reopened): indicates the AOR has been returned to the organization for changes.

Pending: indicates the entity has submitted, but the AOR is being processed and not yet active.

Rejected: indicates the AOR will not move forward. The applicant will be made aware of the specific reason for the rejection.

Reminders

- This list is updated weekly. Please check the last updated date in the upper righthand corner for most recent update date.
- Entities may be asked to revise areas of their registration if there are errors or incomplete portions.
- Once an entity is listed as "Active", another registration will not be required until the next calendar year (2026)
- Only one Annual Organization Registration should be submitted per entity. AOR's are reviewed by their Employer Identification Number (EIN). If a registration with a duplicate registration is submitted, it will be rejected (exception: public school districts)
- If no information was entered in the registration once initiated, the entity name will not appear on this list.
