

REWARDS FOR WELLNESS

Earn a \$50 Co-Share Credit!*

myHealthcare Cost Estimator

The myHealthcare Cost Estimator provides easy access to personalized healthcare cost information so you can make the best choice for your health and your wallet!

Using your plan information, the myHealthcare Cost Estimator shows the varying estimated costs for treatments or procedures depending on where you receive them. It also shows how that cost is impacted by your **deductible**, **co-insurance** and **out-of-pocket maximum**. You'll know what your estimated out of pocket expenses will be before you have the treatment or procedure – valuable information for making the most of your RI State Employee Health Plan coverage.

How to earn the \$50 co-share credit: Go to www.myuhc.com, log in with your username and password, click on “Coverage & Benefits” at the top of the page and then click on “Health Care Cost Estimator” in the box under the image of people with the umbrella. Obtain a cost estimate before December 31, 2017 to earn a \$50 co-share credit in your February 9, 2018 paycheck. For more detailed information and instructions, visit www.wellness.ri.gov.

*All State of Rhode Island employees are eligible to participate in Rewards for Wellness programs and screenings, but only employees who are paying co-shares based on the Rhode Island State Employee Health Plan rates that are posted at www.employeebenefits.ri.gov are eligible to earn co-share credit incentives.
