

# Be your own healthcare advocate

CurrentCareRI.org

## One, two, three, then add a designee!

1

### **SIGN UP** for CurrentCare

CurrentCare is a *free* service that keeps all of your health records in one place. Save time, money and discomfort from unnecessary x-rays or lab tests, because this information is already in CurrentCare.

2

### **ADD** CurrentCare for Me

Take control of your own healthcare record with CurrentCare for Me. Access your record online 24/7, keep track of your meds, lab tests and more.

3

### **GET** Peace of Mind

- You can track your own health information and healthcare online 24/7 from anywhere
- Avoid prescription errors and repeat tests

+

### **Designee**

When you sign up for CurrentCare for Me, you can easily designate access to your health record to someone else on your behalf. Just go to: [CurrentCareRI.org/Designee](http://CurrentCareRI.org/Designee) and sign up today!

# Designee Alerts – Lets you know when your loved ones need help and care

CurrentCareRI.org

## Sign Up for Peace of Mind with CurrentCare Designee Alerts

Get email or text messages delivered when your loved one:

- is admitted and discharged from acute care hospitals and skilled nursing facilities

## Getting Designee Alerts is EASY

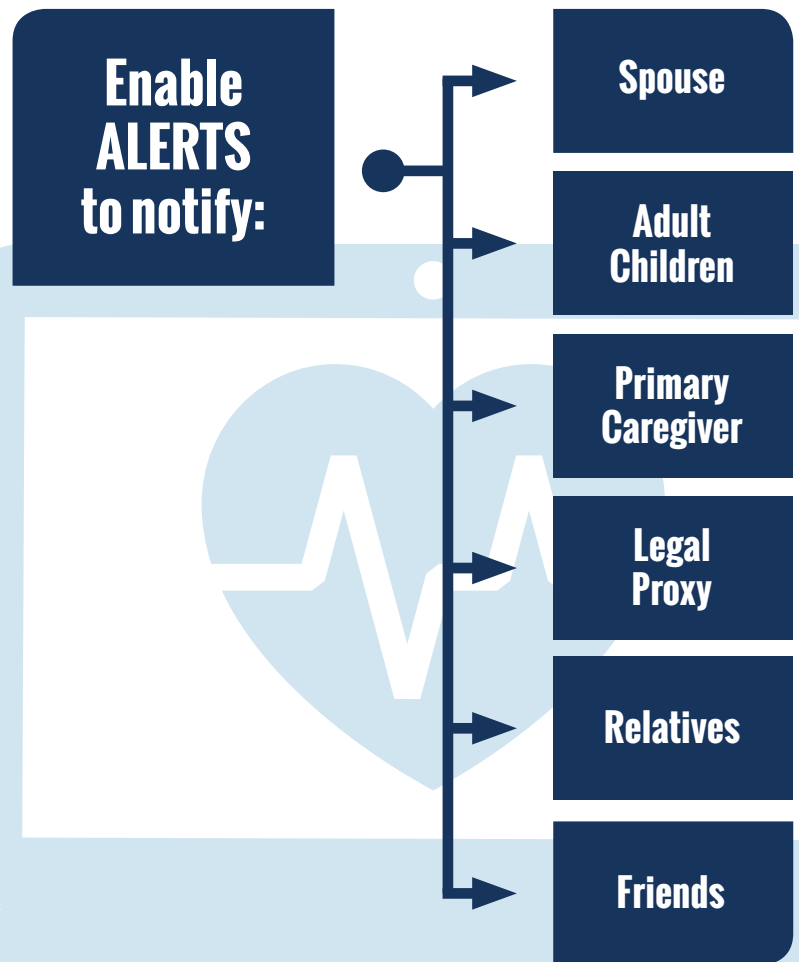

- **Assign Designees** – your loved one completes the CurrentCare for Me Designee Form to provide you with full access to their CurrentCare for Me personal health record.
- **Enable Designee Alerts** - activate alerts by logging into your [CurrentCare for Me](https://CurrentCareforMe.org) account.

**TIP:** Multiple people can receive Designee Alerts to coordinate care for a single person.
